Audrey Anulegeh

Toronto, ON
416-908-9750 | aanulegeh@gmail.com

JUNIOR FULL STACK SOFTWARE DEVELOPER

FULL STACK DEVELOPMENT | AGILE TRAINED | ANALYTICAL THINKER

- Brings 2 years of Information Technology Engineering studies alongside current Software Engineering Technology program, combining prior technical foundations with practical project experience
- Builds full-stack web applications from responsive user interfaces to backend APIs and relational databases, with hands-on experience turning ideas into functional software
- Skilled at solving complex problems through debugging, clean code, and thoughtful system design, with experience applying object-oriented programming and the SDLC in real projects
- Communicates confidently in English and French, collaborating effectively with technical teams while making technical concepts easier for non-technical users to understand

TECHNICAL SKILLS

Programming Languages: C++, C#, JavaScript, Python, HTML/CSS, SQL, Java
Frameworks & Libraries: Next.js, React, Express, .NET, NodeJS, Redux, Tailwind CSS, Laravel
Databases: MySQL, PostgreSQL
Tools & Technologies: Git, GitHub, Postman, XAAMP, Visual studio code, Eclipse, Visual studio
Software Design: Scrum, Agile Methodology, UML, Object-Oriented Programming (OOP)
Other tools: Jira, MS Office, Figma, Canva
Professional Skills: Problem Solving, Communication, Adaptability, Project Management, Critical Thinking

EDUCATION

Software Engineering Technology (Co-op) Advanced Diploma Sept. 2025 - Present
Centennial College, Toronto, ON *GPA: 4.3/4.5 (A)*
Key Courses: Web Interface Design | Software Requirements | Database Concepts (SQL) | Web Development | C# Programming | Java Programming |Python programming | Unix/Linux OS

IT Engineering Technology Master's degree (Partial Completion) Sept. 2023 - July 2025
UCAC-ICAM, Douala, Cameroon *GPA: 3.5/4 (A)*

RELATED WORK EXPERIENCE

Full-Stack Support Platform for Victims of Social Injustice May 2025 - Aug. 2025
HopeLink - Faroty Sarl, Cameroon
Technologies: Next.js • Redux • Tailwind CSS • Laravel • MySQL • Stripe API • Postman • UML

- Designed and developed a full-stack platform in Next.js, Laravel, and MySQL, connecting individuals facing social injustice and violence with support services and resources, modeling the system design and data flow with UML before implementation
- Built and tested REST APIs in Laravel backed by a MySQL database, including secure payment processing through the Stripe API, validating every endpoint with Postman before integration
- Implemented the client application in Next.js with Redux for centralized state management, keeping data consistent across the app as backend contracts evolved
- Styled and structured the interface with Tailwind CSS, translating the UML-designed workflows into a responsive, production-ready UI

SELECT ACADEMIC PROJECTS

Realtor Website Frontend | HTML/CSS

- Built a responsive real-estate website frontend with clean, user-friendly interfaces using HTML and CSS.
- Designed intuitive page layouts/navigation, applying responsive web design principles across all key pages

Retail Database | SQL • Database Design • Requirements Analysis • Project Leadership

- Led a team of four, serving as the Project Manager, in designing and implementing a SQL database for an electronic retail business, translating business requirements into conceptual and logical ERDs, business rules, and functional/non-functional specifications
- Built and populated the database using SQL, managing data modifications, integrity constraints, and user permissions to support secure and efficient business operations

Audrey Anulegeh

Toronto, ON
416-908-9750 | aanulegeh@gmail.com

PROFESSIONAL DEVELOPMENT

Google UX Design Professional Certificate | Coursera (Online) In Progress

OTHER WORK EXPERIENCE

Cashier Associate (Part-Time) May 2026 - Present
Dollarama, Toronto, ON

- Consistently deliver high-quality customer service, demonstrating excellent time management skills, reliability, and professionalism in a fast-paced retail environment
- Responsible for processing transactions, floor stocking/maintenance and customer inquiries/questions

Peer Tutor Jan. 2026 - Present
Centennial College - Centennial Libraries, Toronto, ON

- Provide one-on-one support to students through tailored support, based on individual needs
- Explain technical and complex concepts clearly, to ensure student understanding of materials
- Demonstrate strong leadership, communication skills, and integrity through maintaining student privacy

***Centennial College* Official Document Cover Page**

Centennial College official documents are issued directly through MyCreds™ which is owned by the Association of Registrars of the Universities and Colleges of Canada (ARUCC) and powered by Digitary, a trusted international verified digital credential platform. MyCreds™ ensures document authenticity. When transcripts, credentials, and any other documents are issued through MyCreds™, they are verifiable, secure, and include a cryptographic signature.

If you have received notification of this document and a link to access it through MyCreds™, you are viewing a certified official document that you can trust. A document routed to you as an attachment from an individual personal email is not official and may not reflect the most recent version.

When viewed in PDF format in Adobe 9.0 or later, this document has a number of security features described below. These security features do not apply to a printed copy. Under no circumstance should a printed copy be relied upon as it could be subject to tampering. This document is shared as a single-use transaction between the learner and the recipient and downloads are for record keeping purposes only. Forwarding or reproducing this document will render the document not valid.

Security information
To verify the authenticity of the digital document, make sure you are accessing it online via a link to the document on MyCreds™. The link will start with https://learner.mycreds.ca.

When viewed in PDF format in Adobe 9.0 (or later), the digital signature of the document should be interpreted as follows:

The blue-ribbon symbol signifies that the contents of the document have not been altered after it was downloaded. It does not signify its currency (it may have been revoked or replaced by the institution or organization with a more up to date document). If the document does not display a valid certification and signature message, reject this document immediately.

This symbol with a red cross signifies that the issued document is invalid. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. A document with an invalid digital signature display should be rejected.

This symbol signifies that the Author is Unknown. Author Unknown can have two possible meanings: The document is a self-signed document or has been issued by an unknown or untrusted authority and therefore has not been trusted. If you receive this message, make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital signature on-line, reject this document.

This symbol indicates that Adobe needs to validate the signatures. You will need to follow the instructions to validate the signature. Should the signature validate successfully, you will be presented with the blue-ribbon symbol above. If it cannot validate the signature, the red cross will be presented.

This document is available for viewing until the expiry date set by the Learner. If your access has expired, you will need to contact the Learner to request a new share of the document. MyCreds™ cannot reissue documents.

For details about Centennial College grading scales, please refer to the institutional legend.

For more information regarding electronic documents, see Recipient FAQs (employers, institutions, security and legal validity, verifying documents) https://mycreds.ca/verifiers/#verify-faq

********** End of Post Secondary Academic Record **********

EXPLANATORY NOTES:

* Established in 1966, Centennial College of Applied Arts and Technology is the first college of applied arts and technology incorporated by the Government of Ontario, Canada.

Transfer Credits (Advance Standing)
Courses taken at another institution (or work experience in special circumstances) prior to admission into Centennial College, and recognized as part of the student's program are listed on the transcript. These courses are not entered into the calculation of the grade point average. If grades for transfer-credit courses are required, the student must request a transcript directly from the institution concerned.

Release of Information
The Freedom of Information and Protection of Privacy Act which was introduced in 1987 by the government of Ontario, Canada, prohibits the release of this record or disclosure of its contents to any third party without the written consent of the student.

Course Title
The course title is the descriptive name of the course.

GRD (Grade)
The grade is a rating or evaluation of a student's achievement in a course. At Centennial College, grades are expressed on a letter scale. Only courses graded with A+, A, B+, B, C+, C, D+, D, F and U are used in the calculation of grade-point average (GPA).

CRED (Credit Hours)
A credit hour is the unit by which the institution measures its course work.

AHRS (Attempted Hours)
These are the number of academic credit hours assigned to a course in which the student enrolled and received a grade. Attempted hours are not included for a course in which a grade of WNP (withdrew without academic penalty) is assigned.

EHRS (Earned Hours)
These are the number academic credit hours earned that will apply to the student's certificate or diploma requirements.

GPA-Hrs (GPA Hours)
These are academic credit hours used in calculating the student's grade point average (GPA).

Grade-Point
The numerical value (see grade system) assigned to a letter grade in order to provide a basis for quantitative determination of a grade-point average (GPA).

QPts (Quality Points)
These are calculated based upon the quality hours and grades received. Each grade has a fixed number of grade points associated with it. When a student is graded, the grade points for grade are multiplied by the quality hours to derive the quality points. The quality points are then divided by the quality hours to determine the grade-point average (GPA).

GPA (Grade-Point Average)
This is a measure of scholastic performance over a set of courses obtained by dividing the sum of the quality points by the total number of the quality hours.

"I" Grade (Incomplete)
An "I" grade indicates the student was doing satisfactory work, but was unable to complete required course work for some reason beyond his/her control. The student has up to 12 calendar months after the scheduled end of the course to complete required additional work as determined by the teacher who assigned the "I" and to thereby qualify for a passing grade. After 12 calendar months outstanding "I" grades are converted to "F" or "U", and thereafter, the course must be repeated to achieve a passing grade.

R (Repeat Indicator)
When a course is repeated, the repeat indicator identifies which course is included in the GPA calculation. A value of "I" indicates that the course was included in the calculation. A value of "E" indicates the course was excluded from the GPA calculation.

Authenticity of Transcript
This transcript format was introduced by Centennial College in the Summer semester of 2006. The transcript is official if the signature of the registrar or designate appears at the upper right side on the face of the transcript. When an official printed transcript is copied in colour or in black and white, the word COPY appears prominently across the face of the entire document. A black and white document is NOT an original.
An electronic copy is considered official when issued through myCreds.ca.

GRADE SYSTEM EFFECTIVE SUMMER SEMESTER 2006

LETTER GRADE	GRADE DESCRIPTION	NUMERICAL EQUIVALENTS	GRADE POINT
A+	Outstanding Achievement	90-100	4.5
A	Excellent Achievement	80-89	4.0
B+	Very Good Achievement	75-79	3.5
B	Good Achievement	70-74	3.0
C+	Satisfactory Achievement	65-69	2.5
C	Acceptable Achievement	60-64	2.0
D+	Pass	55-59	1.5
D	Pass	50-54	1.0
F	Failure	0-49	0
FNA	Failure Non-Attendance		*
P	Pass (GPA Neutral)		*
I	Incomplete		*
CIP	Course in Progress		*
AEG	Aegrotat Standing		*
AUD	Audit Status		*
GNR	Grade Not Reported		*
NR	Grade Not Yet Reported		*
SUB	Substitution of One Required Course by Another		*
WNP	Withdraw Without Academic Penalty		*
NGR	No Grade Required		*
TCR	Transfer Credit		*
EXW	Exceptional Waiver		*

* Not computed in GPA

GRADE SYSTEM USED PRIOR TO SUMMER SEMESTER 2006

LETTER GRADE	GRADE DESCRIPTION	NUMERICAL EQUIVALENTS	GRADE POINT
A+	Outstanding Achievement	90-100	4.5
A	Excellent Achievement	80-89	4.0
B+	Very Good Achievement	75-79	3.5
B	Good Achievement	70-74	3.0
C+	Satisfactory Achievement	65-69	2.5
C	Acceptable Achievement	60-64	2.0
D+	Pass	55-59	1.5
D	Pass	50-54	1.0
U	Unsatisfactory	0-49	0

NGR	No Grade Required		*
TCR	Transfer Credit		*
EXW	Exceptional Waiver		*
NR	Grade Not Yet Recorded		*

* Not computed in GPA

** GPA Note: The grade system introduced in Fall 1992 allows for a maximum GPA of 4.5. The maximum GPA under the previous system was 4.0 hence, should a student's performance be graded by both old (pre-Fall'92) and new (effective Fall'92) grade systems, the maximum GPA avilable to this student is "more than 4.0 but less than 4.5". To accurately assess the student's performance, the reader should refer to "Current GPA" which is a per semester GPA and which is restricted to one grade system.

GRADE SYSTEM USED PRIOR TO FALL SEMESTER 1992

Primary Grade System

LETTER GRADE	GRADE DESCRIPTION	NUMERICAL EQUIVALENTS	GRADE POINT
A	Consistently Outstanding Achievement	80-100	4
B	Very Good Achievement	70-79	3
C	Acceptable Achievement	60-69	2
D	Below Average Achievement	50-59	1
X	No Grade	0-49	0
E	Equivalent Substitute/Waivers		
I	Incomplete		
J	Successful Completion Special Interest Course Only		
K	Course Cancelled by the College		
Q	Approved Equivalent Course Taken External to Centennial College		
R	Registered Auditor		
S	Duration of this Course Continues Beyond the Period Covered by this Grade Report		
W	Withdrawal in Good Standing		
Z	Advanced Standing		
GU	Grade Unavailable		

Apprenticeship Grade System

LETTER GRADE	GRADE DESCRIPTION	NUMERICAL EQUIVALENTS	GRADE POINT
A	Excellent	81-100	4
B	Above Average	66-80	3
C	Average	53-65	2
D	Below Average	48-52	1
F	Failure	0-47	0
GU	Grade Unavailable
